**AMENDMENTS TO THE CLAIMS**

This listing of claims replaces all prior versions and listings of claims in the application.

**Listing of Claims:**

1-18. (Cancelled)

19. (Currently amended) The vaccine composition of claim 20, comprising immunogens from six or more species or serotypes of *Clostridium*, wherein the immunogens are selected from the group consisting of bacterins and toxoids, provided that at least four of the immunogens are bacterins.

20. (Currently amended) A multicomponent clostridial vaccine composition comprising: (i) immunogens from at least two species or serotypes of *Clostridium*, wherein the immunogens are selected from the group consisting of bacterins and toxoids, provided that at least one of the immunogens is a bacterin; (ii) an antigen from a respiratory virus; and (iii) a saponin, wherein said saponin is the sole plant-derived adjuvant in said vaccine composition.
